## Angus Wins Sports Day 2019

**1<sup>st</sup> - Angus (378 pts) 2<sup>nd</sup> - Tolley (359 pts) 3<sup>rd</sup> - Kerr (345 pts) 4<sup>th</sup> - Newman (325 pts)**

Last Friday's Sports Day was a fun filled day. Once again students and families joined in the spirit of the occasion and dressed in team colours to bring a sense of joy and celebration to the proceedings. Thanks to everyone for participating so well and to all family members who supported the day.

The Team Captains and Vice Captains made a strong contribution by encouraging students to join in war cries and play with enthusiasm and sportspersonship. Thank you to Rick and Maria from our local fruit & veg shop [Rick and Maria's Hope Valley](#) for generously providing us with delicious apples and oranges to distribute to children.

## Pancake Day was a Great Success

Pancake Day was a huge success with over 600 pancakes sold and over \$700 raised. The Student Representative Council decided to donate the money to Uniting Care Wesley Bowden because UCWB provides great support to some of our families.

A big thank you is extended to our local Hope Valley Foodland supermarket which so generously provided the pancake mix, jam, maple syrup and water. We appreciate your support SO MUCH!

Thank you also to the Hope Valley Church volunteers Scott, Nathan and Ben for creating the unique pancake delights. What an amazing contribution the Year 7's and other students made as they worked like an experienced crew, preparing, serving and packing up. Nothing was too much trouble. WELL DONE TEAM!!

Finally, thanks to Natalie Hall our SRC Coordinator and all the other teachers & SSO's for their efforts, behind the scenes, to make the day so successful.

### Parents of Students in Year 7 in 2019 Second ACER Test

#### Is your son or daughter gifted?

The Ignite Program is a selective entry program for gifted students entering Year 8 at The Heights School. Within the Ignite program there are opportunities for students to be accelerated, and participate in a range of enrichment activities to extend and stimulate their adept minds. They study, and form friendships with other like-minded peers, in a caring and nurturing environment.

We continue to be one of the leading schools across the Northern Region, with outstanding SACE results. In 2016 our students achieved the highest SACE scores across the Northern Region, and we continued these great results last year. In 2017, 20% of our Stage 2 students received an ATAR score of over 80. 11% of these students scored above 90, with our highest achieving an ATAR score of 98.8.

If you missed the first ACER test on Saturday 23<sup>rd</sup> February 2019, and believe your child would thrive and benefit from the Ignite program, please complete an online expression of interest form for your child to sit the second ACER test conducted at The Heights School on Friday 22<sup>nd</sup> March 2019. The last day for submissions is Monday, 18<sup>th</sup> March 2019. No further submissions for entry into the Ignite program will be taken after this testing.

The Second Assessment day for 2020 enrolments - Friday 22nd March 2019

Expression of Interest Forms are now available online via <http://www.theheights.sa.edu.au/ignite.html>. Additional enquiries can be directed to Michelle Crush (Ignite Services) at The Heights School on 82636244 or via email: [Michelle.Crush23@schools.sa.edu.au](mailto:Michelle.Crush23@schools.sa.edu.au)

Please note that students can only sit the test once.

If a student sits for an assessment then he/she cannot re-sit the test again.

#### Do you have twins, want twins or are expecting twins?

We have provided a time and space for families with children with diabetes, and autism, in the past, and wonder if parents and carers of twins would like a chance to meet and chat about their experiences.

We already have a couple of interested parents. If you or someone you know would like to join us and share twin tales, give us a call on 82649828 and we'll make a time and space for ya'll.
