Newman Wins Sports Day 2021

Pictured: Jasmine with the Captains: Alanna and Rhys - who won the day with his caber toss!

Sports Day on Thursday 4th March, Newman won after eight years. Students and families joined in the spirit of the occasion and dressed in team colours to bring a sense of joy and celebration to the proceedings as Captains encouraged students to join in war cries and play with enthusiasm, fairness and positive sporting skills. Thanks to everyone for participating so well and to all family members who complied with the COVID restriction of one family member at a time.

Changes to “3 Way Conferences” in 2021

Lalita, Ella, Ben and Mitchell preparing for their pre-meeting reflection

An outcome of a recent review of our “3 Way Conference” procedure was a recommendation that “Students from F-2 no longer attend meetings,” as parents and staff were reporting that students at these ages were usually not ready to engage in goal setting and discussions about their learning and that their presence often distracted from parents and teachers sharing information, rather than enhancing the process.

Therefore this year parents with students in:

F-2 are invited to come *without their children* to the teacher / parent conference.

Yrs 3-7 will have 3 way meetings with their child as usual. (except Yr 3's in rooms 3&4)

Yr 3 - 7 Students who are present at these conferences have an opportunity to increase their involvement in their learning and become more aware of how parents and the school can work together to support them, as all parties jointly review their progress and set goals.

Interviews will be held starting from Monday 22nd March.

Mrs Nat Hall becomes our Student Wellbeing Leader

This year Natalie Hall, year 6/7 teacher with counselling experience, has been appointed as our school's Student Wellbeing Leader. In this role she will be working in partnership with students, parents and carers, educators and the wider community to promote and safeguard student wellbeing and optimise learning by:

- Working with the school community to increase student attendance and engage students in their learning at school.
- Educating and coaching students to manage their relationships with their peers, teachers and families.
- Providing support following a crisis.
- Working in partnership with school based and external agencies to provide wellbeing support to students

Starting in Week 8 of this term she will be available on Wednesdays and Thursdays to provide support for students, parents and teachers around wellbeing. Please contact her through the school. Her contact details are email: nhall@ardps.com Phone: 82648099

COVID-SAFE CHECK-IN

Ardtornish Primary School

Remember every time you come onto school grounds you need to scan the QR code and check-in.

Volunteer RAN Training Sessions

We are offering online sessions for RAN Training.

If you would like to help out in your child's classroom with transport, camps, in the library or canteen etc. you need to have a child related police clearance (working with children check for volunteers) and be RAN trained. Working With Children Check forms are available from the front office. This is a Department for Education requirement.

It is mandatory to attend a training session as part of becoming a volunteer.

You only ever need to attend once unless there is a change to the course, which you will then be notified about.

RAN stands for Responding to Abuse and Neglect. The RAN training for volunteers induction session outlines for volunteers their child protection responsibilities and provides guidelines on protective practices. You will receive a RAN Certificate after completing this training session.

These sessions are run each term and are advertised in the newsletter, Google Currents and Skoolbag.

If you are interested please phone the office on 8264 8099 or text us on 0447 467152 and we will send you the link to complete this course. Online this course runs for approx. 1 hour - 1.5 hours. Once completed please email your certificate to dl.1540.info@schools.sa.edu.au.
