Gemma R, Avara E, Lara B

**Wed 7th April – Fri 9th April and
Tue 27th April**
Cody S, Dantae C, Sam K

Wed 28th April – Tue 4th May
Jade O, Kaylee R, Tilly-Rose P

Please arrive by 8.25am

Celebrating Harmony Week and Taking a Strong Stand Against Bullying.

Harmony Week celebrates the cohesive and inclusive nature of Australia and promotes a tolerant and culturally diverse society. On March 19, students wore orange, cultural clothing, or casual clothing to signal we all belong and are different in our own way.

Students from Miss Ravlich's and Ms McCurry's classes presented an inspiring video about Harmony Day and National Day of Action at assembly. A drone image from their clip can be seen above.

Students also celebrated Harmony Week by participating in a giant game of chain chasey, displaying heart felt messages in classroom windows.

The National Day of Action against Bullying and Violence was acknowledged by students displaying 'Say No to Bullying' posters in classroom windows.

Wellbeing - Staying Safe Online and Cyberbullying

Staying safe online is paramount to maintaining wellbeing and to make sure we are being kind to one another online.

There are alarming statistics showing one in five young people in Australia are being cyberbullied. Cyberbullying is the use of technology to bully a person with the intent to hurt or intimidate them.

This can include:

- being socially excluded,
- creating fake accounts in someone's name,
- humiliating someone online, spreading nasty rumours,
- sharing photos of someone to make fun of them, being threatened,
- or being abused online.

On Average only 55% of young people who are cyberbullied actively seek help.

It is very important to have conversations with young people about their behaviour online, what they are saying, sharing, and doing while online.

The eSafety Commissioner site has an abundance of information, webinars, and tips on how to have these conversations with your child to promote online safety.

Have a look! www.esafety.gov.au/parents

Stay safe online and encourage your child to talk through problems when they arise.

Excursion and Incursion Update

Pancake Day at Ardtornish

Pancake Day is traditionally held on Shrove Tuesday, which fell on February 16 this year. At Ardtornish we merged this special day with our Harmony Week celebrations.

This year we raised an amazing \$540 which will be donated to UnitingCare to help provide practical support to South Australians in need, including those without a home, people living with disabilities, vulnerable children and adults, older people, and families in crisis.

A huge thank you to all those who helped, our Pastoral Care Worker Tracey Cooper and Hope Valley Church Volunteers. We also could not have run this successful day without the help of our amazing SRC Executives, Paul Day, Mr G, Mary-Anne and our extra student, teacher and SSO helpers. Thank you!

Throughout week 8 it was inspiring to see our school community to not only raise money for a phenomenal organisation, but also remind us of being kind to one another and to respect our differences.

Well done Ardtornish, your light shone brightly! Keep up the great work.

Mrs Hall

Term 1 Week 8

Why Camp Is Not a Waste of Time

By Kayla.S

School camps are not a waste of time, just think about it, there are loads of activities to try like canoeing, knee boarding or skiing. You will have a very fun experience sleeping in a tent if you have not been in one before. That is not all, you can chat to your friends for a little bit as well. You can have a talent show with your friends, you can laugh at other plays and even win a prize if yours gets the most votes. You can also do Karaoke night with your friends and classmates.

At Murraylands Aquatics Camp you can try new things. The activities are awesome to try like knee boarding. Knee boarding is so fun to try, all you have to do is get two people to hold up the board and just hold the strap. It is easy to do and it's really fun. You can also try canoeing, some people have 2 or 3 people in a canoe, it is really easy to do, and you can just cruise along the river with your friend/s. If you do get stuck, don't worry! The instructors are nice, and they will help you out. If you really want to try skiing, then you will love to go on this camp! Skiing is pretty hard at first but you will have lots of fun and some more tries if you fall off.

It'll be so much fun setting up a tent with your friends. Your friends can help you set up your tent and if you never slept in a tent before, you'll love it. It's a fun experience to sleep in, you can even bring a blow up air mattress to sleep on. If you need to ask a question teachers and staff are there to help you. If you sleep in a tent you can chat with your friends in your group or you can arrange something if you want one of your other friends to come into your tent. It'll be very fun, you can bring some snacks to share with your friends and you can stay up for a while.

Some other things that are more fun is a talent show and a Karaoke night! Talent shows are the best experience, you or your friends can make up a little show to perform to the audience. There are judges as well (don't worry they are just your classmates). You will laugh, some talent shows can be very funny to watch. There is also a prize if your group comes 1st, 2nd or 3rd, you will have to get the most points to win. With karaoke night you and your friends/classmates can sing along to the lyrics. You can sing your heart out as much as you can if you want to.

So, therefore camp is not a waste of time. Just think about all the things that make it fun. If you haven't slept in a tent before it could be a very fun experience. There's a talent show to perform to your classmates, and you could be the one to judge the show. The water activities are a fun experience like canoeing, knee boarding and much more. You can chat to your friends in your tent, you'll have so much fun! So I hope you liked camp and I hope when one day you will go on camp, you'll have a fun experience.
