Take a Stand Against Bullying

This week our students attended a performance entitled The Protectors. They learnt about the importance of being assertive, rather than passive or aggressive should they encounter bullying. The Protectors' is an emotional wellbeing resource that has been researched and developed in association with teachers and students. It offers concrete solutions children can practice to **protect themselves** from **hurtful comments** and **negative behaviours** they may encounter.

Throughout the performance, clear instructions on **cyber safety** were delivered in a fun, memorable way. Children were able to empathise and appreciate the **devastating consequences of cyber bullying**. They were encouraged to use their "cyber protect tools" of **Tell, Block, Delete**.

'The Protectors' unlocked the secrets of body language and gave 'Protector Tools' to **curb aggressive behaviour**.

1. Protect Shield
2. Translator Tool
3. Freeze and Breathe

Children also learnt the importance of positive body language, positive thoughts and feelings to create brave and assertive actions. Please have a chat with your child about what they have learnt.

Would you like to be a School Volunteer?.. Training dates

If you would like to help out in your child's classroom with transport, camps, in the library or canteen etc. please collect a 'Volunteers Pack' from the front office.

It is mandatory to attend a training session as part of being a registered volunteer.

Every volunteer also needs to be RAN Trained, which is covered in this training session.

You only ever need to attend once unless there is a change to the course, which you will then be notified about.

RAN stands for Responding to Abuse and Neglect. The RAN training for volunteers induction session outlines for volunteers their child protection responsibilities and provides guidelines on protective practices. You will receive a RAN Certificate after completing this training session.

These sessions are run each term and are advertised in the newsletter and Google+. Please register by phoning the front office, or come into the office to add your name to the list.

Volunteer sessions are being held on:

Thursday 31st May- 9am, 2pm & 6pm

Please meet at the front office before the start of your session time. Each session lasts about 60 minutes.

If you have already registered as a volunteer and have *not* received the Screening form, please collect one from the office.

Thank you to all those volunteers who have returned your Criminal History Screening form. You will receive a Child Related Screening Clearance for your records. The school receives its own confirmation of clearance, therefore we do not require a copy of your Certificate.

2019 Pre-schoolers enrolments in OSHC

As of January 2019 Ardtornish OSHC can no longer accept preschool enrolments.

As Outside School hours Care is primarily for school children, and the demand for care within the school is increasing, in 2019 we can only safely and economically manage to provide care to students of Ardtornish Primary and surrounding schools.

Please refer to Skoolbag, Google+ or obtain a hardcopy from the front office for further information.

Enrolments 2019

Later this term we will be looking at predicted student numbers for next year. Accurate enrolment details are needed so we can determine numbers for our classes.

Therefore if your family is considering moving, it is important that you let us know, as well as your new school, as soon as possible. If you have a younger sibling to start next year and you haven't completed an enrolment form yet, please come in and speak to the front office staff.

Flat Stanley's Holiday

Adventures Room 24

Room 24 took Flat Stanley home during the holidays so he could enjoy time with his fellow class mates.

How many adventures did he have! Stanley (for short) travelled to Darwin with a quick stop in Alice Springs. He went bowling, spent several days on the giant Rocking Horse, he went to lots of football matches, travelled on a plane to the MCG, saw the ultrasound of his host families brother or sister, he went to lots of different parks, cooked lots of dinners, played games, made new friends, both human and animal. Stanley was such a busy guy and at the moment he is visiting London, we can't wait to see those photos.

Stanley had such a lovely time and we look forward to his adventures during term 2. He may be lucky enough to go on our camp!
