## Choir Festival Theatre Performance

Last Friday night Friday 13<sup>th</sup> September, the Ardtornish choir participated in the iconic Festival of Music at the Festival Theatre. Our students were awesome! Their pre-show behaviour, while lining up and waiting was exemplary and I was a very proud choir teacher.

The concert itself was stunning! From a kabuki curtain drop (google it!), to a fabulous jazz band it was action packed. Our students sang their hearts out, grooved in the upbeat songs and were respectful when singing about our sister city Christchurch. I am also very excited to have Kendra sing a solo in 'When I Grow up' in tonight's concert (Friday 20<sup>th</sup>). Anne O'Dea

### Parliament House Excursion – Civics and Citizenship in Action

Government and democracy are two of the main concepts within Civics and Citizenship for year 6 and 7 students. Visiting South Australia's Parliament House gave students a hands on experience to see government and democracy in action.

On Tuesday, Dr Richard Harvey, our local MP for Newland, provided our room 9/10 students with a detailed presentation about the separation of powers within the Australian Government along with an informative tour of the two houses of parliament. Students had the opportunity to dress up in parliamentary clothing and hold a real debate to see how decision making works in the lower house - The House of Assembly.

Student Quotes:

"It was really interesting to see how parliament works" Corvin T

"It was an interesting and fun experience. I learnt a lot about Parliament, I liked the Green

Room better because it had the Blood Line to stop people being stabbed by swords!" Maddi L

"It was interesting to learn about the Black Rod in the Upper House" Josh G

"It was educational for both teachers and students. Dr Harvey made it a fun visit." Kendra H

## 2020 enrolment and class structure processes

Accurate enrolment details are needed so we can determine numbers for our 2020 classes. Therefore if your family is considering moving, or you know of someone moving into our area it is important that you let us know as soon as possible. If you have a younger sibling to start next year and you haven't completed an enrolment form please contact the front office staff.

## Canteen News

Thank you to all the families who continue to support the canteen. We had a wonderful response to our call for volunteers.

As you all know the canteen has started replacing all our packaging with products that are compostable and have less impact on the environment. Unfortunately these items are more costly and so after carrying that cost, the canteen now has to pass on part of those costs to our customers. Some of our items have increased in price and some have been replaced with choices that are lighter for the hot weather. Please encourage your children to give different items a go, they may be pleasantly surprised. The new menu for summer will be available from week 2 of term 4.

The Ardtornish School is only able to continue offering this service because of all your support and we look forward to seeing you all back and raring to go in term 4.

## Paediatric Occupational Therapist

OT Sara King is now available for your child on a Monday & Friday at Ardtornish Children's Centre or at your home. Sara provides NDIS services to NDIA self-managed and plan managed children. See [www.earlyyearsot.com.au](http://www.earlyyearsot.com.au) or call Sara at 0409 739 997 for more information

## Kindy in the Park

Celebrate Children's Day on 23 October at Civic Park. A morning of free activities and entertainment provided by local Kindergartens. Bring a picnic and join local families and friends.

## Face Painting Workshop
